

BOTTLE BRUSHES

References : GOUP1, GOUP2, GOUP3, GOUP4

Designed specifically for cleaning glass and plastic items.

Made of thick polyethylene foam with high resistance to friction, dual bonded and long lasting (20 times more than the best sponge or bottle brush).

Do not absorb water. They can be cleaned with hot or cold water and support autoclave.

Reference	Material	Foam thickness	Foam length	Total L.
GOUP1	Fibre	22 mm	170 mm	220 mm
GOUP2	Éponge	70 mm	100 mm	250 mm
GOUP3	Éponge	70 mm	100 mm	480 mm
GOUP4	Éponge	20 mm	380 mm	440 mm
