

Reference : QS10

Very resistant, easy and suitable for students

Simple, precise, hygienic and economical.

Single-use numbering slides. The KOVA slide saves considerable time with cell numbering. 10 cells ready for use, no cover slip, 1 moulded squared grid in each cell.

- Total volume: 0.9 μ L per grid
- Simplified calculation of the results.
- High definition grid
- Optical quality.
- No contamination between samples
- Reproducibility.
- Numbering unit: 1.1 x 10
- 5 ml
