

PLANCHE MURALE : LE PAON EXTRAVAGANT

Reference : POSTPAON

Poster: the extravagant Peacock (French)

Biodiversity, results and stages of evolution: Intra-specific communication and sexual selection

High quality poster depicting impressive sexual dimorphism in the peacock, its courtship display, and biometrics.

Illustrate intra-specific communication with this wall chart and microscopic prepared slides of sense organs. Printed on PVC tarpaulin with eyelet supports. An essential course support!
