

SET OF COMPASSES WITH STORAGE TRAY

Reference : LOT20BOUS

Pack of 20 compasses presented on a tray.

A plate present on the tray makes it possible to remagnetise the compasses if necessary, so that they are all oriented in the same way, with the red end indicating the north.

The tray also has a magnetic face to hold the needles during storage and avoid disruption.

Compass dimensions: Ø 40 mm

Tray dimensions: 210 x 215 x 25 mm
