

# SQUELETTE 85'CM

PRODUCT SHEET

Reference : ECOSLIM

Skeleton - 85cm

**All our skeletons are of German manufacture, the benchmark in the field**

Because of its practical size, this inexpensive skeleton is particularly suitable for presentations or equipping a desk. It represents 200 bones of the adult male.

Thanks to its completely flexible mounting (except hands and feet), you can articulate the limbs in a natural way.

Comes on a stand.
