

# STAN, LE SQUELETTE STANDARD

PRODUCT SHEET

Reference : A10

Stan, the standard skeleton

**Skeletons 1, 2 and 3 are of German manufacture, the benchmark in the field**

This classic model (known as Stan) has for more than 50 years been the epitome of the best quality in hospitals, schools, universities and laboratories. Don't make do with imitations due to compromises in manufacturing and quality. Stan is the best!
