

U-SHAPED MAGNETS

References : AIMUVAR, AIMUREP2, 40721, AIMUREP1, AIMUPM

Small U-shaped Ticonal Magnet

Comes with a closing bar.

Length: 90 mm

Spacing: 40 mm

Réf : AIMUPM

U-shaped magnet with variable gap

Dimensions: 30 x 140 mm

Variable air spacing from 45 mm to 70 mm

Supplied with 4 ferrite magnets.

Réf : AIMUVAR

U-shaped magnets with identified .

Material: Ticonal

Magnets delivered with a circuit closure plate.

Réf : AIMUREP1 - AIMUREP2 -

Very powerful U-shaped Ticonal Magnet

A junction element to prevent demagnetisation is provided.

Dimensions: 120 x 64 x 35 mm

Spacing: 50 mm

Réf : 40721
